Is the site located within a Historical District? (Check one) Yes _____ No _____

Note: If yes, you must provide proper Historical District certification per the UCC Law.

The applicant certifies that all information on this application is correct and the work will be completed in accordance with the “approved” construction documents and PA Act 45 – Uniform Construction Code and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, right of ways, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant hereby certifies he/she understands all applicable codes, ordinances and regulations.

Application for a permit shall be made by the **owner or lessee of the building or structure, or authorized agent of either, or by the authorized registered Design Professional** employed in connection with the proposed work.

I certify that the Code Administrator or the Code Administrator’s authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the applicable codes to such permit.

City of DuBois

CHILD DAYCARE FACILITY HANDOUT AND REQUIREMENTS

CHILD DAY CARE FACILITY DEFINITION:

A dwelling unit (residence) where child day care services are provided for less than 24 hours for 4 to 12 children is an R-3 residential occupancy if the dwelling unit is used primarily as residence and the provision of day care services is accessory to the principal use of the residence.

There are three categories of child day care facilities. The first item to complete is to choose the type of daycare facility you are applying for:

****Choose the service you are applying for here**:**

(check one)

1. Services provided for 4 to 6 children. Go to "Section A".
2. Services provided for 7 to 12 children. Go to "Section B".
3. All other - more than 12 children. Go to Section "C".
- 4.

Every item directly below must be checked and submitted to our office. This form must be completed in its entirety then returned with your project submittal drawings.

- Permit Application
- Municipal Prior Approval Form
- Two sets of floor plans showing all rooms and levels of your residence. Plans must be in ink.
- Building Plans must include all applicable information contained below:

"Section A" - **Fill out this section if your day care facility will contain 4 to 6 children:**

- Provide and install a smoke detector on each floor level of the residence, including the basement. The smoke detector shall be powered by a non-replaceable, UL approved lithium battery that is warranted for a 10 years. The smoke detector should sound an alarm when activated that is audible to persons in the unit's indoor child care space with all intervening doors closed. Where this type of detector is utilized, the unit owner of this detector shall keep the proof and date of purchase of the detector in the unit's fire drill logs.
- Provide a portable fire extinguisher rated for Class B Fires in the kitchen and other cooking areas.
- Meet the exiting requirements for an R3 - Residential Occupancy and licensure under 55 Pa. Code Chapter 3290 (relating to family child day care homes).

“Section “B” - **Fill out this section if your day care facility will contain 7 to 12 children:**

- Provide and install an **interconnected** smoke detector system.
- Provide a fire extinguisher rated for Class B fires in the kitchen and other cooking areas.
- Meet the exiting requirements for a Residential Occupancy and licensure under 55 Pa. Code Chapter 3280 (relating to group child day care homes).

“Section “C” - **If your facility will contain more than 12 children, call our office for specific details.**

A Minimum Fee of \$100.00 will apply if facility is approved on first scheduled inspection visit. It is very important to have all the required equipment installed before scheduling your inspection.

Remember to call and schedule your inspection at least 48 hours in advance. You will not receive a Certificate of Occupancy/Approval until your project has been inspected and approved.

****THIS COMPLETED FORM MUST BE SUBMITTED WITH YOUR FLOOR PLAN DRAWINGS****
